Our Company

Formed in 2007 All Class Insurance Brokers grew out of the vision of its Managing Director to provide a quality service to clients in a wide range of industry groups. It was felt that there was a need to provide a professional and competitive service in the complex area of insurance.

the company seeks to build long term relationships with its clients, providing quality products via a network of competitive and high efficient insurance suppliers.

Our Philosophy

1. Personalised risk and insurance management and advice with dedicated personnel to attend to your every need
2. Partnerships and alliances with our customers and suppliers acting with the best interest of all for the long term.
3. Through many years of experience we can offer creative solutions to insurance issues with a high standard of excellence in customer service
4. Our role is to understand our client's business and as risk adviser to assist them to manage their physical and financial risk on the most advantageous terms.
5. To identify for our clients the best strategy in the future development of insurance risk planning ensuring that maximum protection at minimal cost is the best outcome.
6. Working in partnership to add value to the provision of our broking service by ensuring that where needed we seek out those services and providers who best meet the needs of our clients when required.

Our Services

1. Personalised and competent service to our clients is a key word at ACIB where service to our clients comes first and is paramount to our philosophy.
2. The management of our clients insurance including insurance claims. We actively work to minimise client loss and uncertainty managing the entire claims process through to a satisfactory finalisation.
